A game combining elements of Roulette and Poker
Playing pieces required 2 dice, •1 deck of cards , 8 marbles (4 different colours two of each)

Players: The game is played with multiple players (2-4).
1) Game Board: There's a Roulette board where players move around. Roulette Points: Players aim to reach "Roulette Points" to reveal their Poker hands and earn points.
2)Poker Hands: Players will reveal their Poker hands once all players reach "Roulette Points" area.
Points Board: There's a "Points Board" where players move their marbles based on points they earned from both Roulette and Poker.

Gameplay:
1) Deal 5 cards to each player, when a player start their 1st turn they can pick a new card and discard one to enhance their poker hand
2) Rolling Dice: Players take turns rolling two dice to move around the Roulette board.
3) Guessing Colour: Before rolling the dice, each player guesses if they will land on Blue or Red.
4) Moving on Roulette Board: Players move forward on the Roulette board based on the sum of the dice.
5) Landing on Guessed Colour: If a player lands on the colour they guessed, they roll again.
6) Landing on Different Colour: If a player lands on the colour they did not guess, their turn ends.
7) Landing on Yellow Spot: If a player lands on the yellow spot, they can pick up a card to enhance their Poker hand and discard one. Their turn then ends.
8) Moving to "Roulette Points": Once all players reach "Roulette Points" they reveal their Poker hands. When a player reaches "Roulette Points" and is waiting for other players to arrive, they can pick up a card (and discard) to enhance their Poker hand when it's their turn.
9) Poker Hands Evaluation: Points are awarded based on the ranking of Poker hands (ref to Poker Hand Points on the board)
10) Points Board Movement: Players move their marbles on the "Points Board" based on points earned from both Roulette and Poker.
11) Repeat Rounds: Rounds continue until a player reaches the top of the "Points Board" and becomes the champion.
